Natural Gas Supply Program

We are very pleased to announce an exclusive natural gas supply program through CEG Energy Options Inc. to commercial and industrial members of our member Chambers.

OPPORTUNITY

- Natural Gas prices have increased 100% over the last 5 years.
- Future escalations in market prices and utility rates are predicted.
- CEG Energy customers have typically saved 10 – 50% on longer term fixed price agreements.
- This is simply a commodity price choice that will fix one of your most volatile variable costs.

THE CHAMBER PROGRAM

- By aggregating significant natural gas volumes, Chamber members throughout Alberta benefit from discounted wholesale pricing. CEG pricing has consistently been much lower than its competitors.
- Chamber members achieve 100% fixed price certainty for the full term.
- Choose a fixed price for 3 or 5 years.
- Your Chamber has selected CEG Energy to be the natural gas provider. CEG has specialized in providing natural gas to Associations for 17 years and currently has more than 12,000 customers.
- Future Chamber fixed price natural gas offers may be priced higher or lower depending on available market prices.

PRICE AND TERM

- Call the number below or email for your current 3 or 5-year price.

HOW TO JOIN

- Call CEG Energy at 1-866-934-6918 or email ejbabey@cegenenergy.com to confirm final pricing and request a customer agreement.
- Watch for our quarterly offers sent out by your local Chamber. CEG representatives will be visiting or making follow up calls to answer questions about the program.
- There are always deadlines attached to each offer so don't put this important matter on the backburner any longer!
